## To Our Guests

We rejoice with God in your decision to join us at church today! If there is anything that we can do to help make your experience at Living Stones Church more welcoming, please be sure to communicate with one of our staff members or volunteers.

In the pew in front of you, you will find a card specifically for first-time and returning guests; We would appreciate it if you could fill out this card and return it to our Guest Reception Centre in the foyer following the service. Our guest reception hosts/hostesses look forward to the opportunity to personally welcome you to Living Stones, answer any questions you may have, and present you with a gift bag as our thank you for your presence here today.

We serve complimentary gourmet coffee in our foyer following both morning services. We invite you to take this opportunity to meet informally with others in our church family.
